

## June 6th Recap

### Crime Stop 602-262-6151 (26-26-151)

#### SAFEbiz & MROP (Misdemeanor Repeat Offenders Program)

- **ATA with No Trespassing** signs and be ready to prosecute the few times you may be called "in the middle of the night". When **open for business use No Trespass to ask loiterers** to leave property.
  - **ASK** for and get **incident#/police contact information** (name and badge #) each time call for police so it helps to build a case for MROP. To each different officer it looks like a new case. Officers go to call but do not pull up all past info for each call address they go to. **NOTE day/time when you called.**
  - **Cameras/Alarms** = To save on false alarm calls, maybe get one that goes to cell phone and not police right away. You can call in the scene and help guide police to the criminals.
  - Call in **chronic shoplifters/loiterers** so they can be "**trespassed**" from your store. Get a pic if SAFE.
  - MROP 5 arrests in 5 years. Some get to the 5 very quickly.
  - **HAND OUTS are very useful!!!** 211 <http://211arizona.org> (order a set) , Shelter/Services Resource Page, Websites (Attached & feel free to copy and hand out).
- OVERALL MESSAGE - It all starts with you.** Set up your business and grounds so it is not easily taken advantage of. Call in crimes so police can help.
